

# CUSTOM BUG SCREEN

Designed Specifically to fit the Supertramp Flagship Camper

- Made for us by the leading RV Screen manufacturer "ROLEF"
- Customized to fit the Flagship door frame and surrounding furnishings.
- Easy permanent install (no storage needed) No Drilling required
- Fine mesh to keep all mosquitos and no-see-ums out!
- Magnetic screen door naturally closes upon entry and exit.
- Easy screen door rollup when not needed.
- Add privacy and ventilation while leaving your door wide open.
- Pet approved! They will learn how to enter and exit on their own
- Waterproof, UV and fire retardant materials
- Leave it installed year round

**In Stock \$745 incl S&H**
